**DOMINATOR®**

SAFE AND SECURE DESIGN IS  
OUR PRIORITY AND WE ARE  
FOCUSSED ON HELPING PROTECT  
THINGS YOU HOLD PRECIOUS

# DOMINATOR SECTIONAL DOORS

When it comes to protecting your assets and family, you can't buy better than a Dominator Sectional Door and opener.

People often underestimate the impact of a beautifully designed garage door. As one of the largest doors in the home, it generally takes up a significant proportion of a home's street frontage, and can make or break the look of your home's facade.

Available in a wide range of styles and colours, you'll enjoy advantages like its smooth, quiet action along with Dominator's commitment to quality and providing you with a Home Safe Home and reliable operation for years to come.

Dominator Sectional Doors are custom manufactured in New Zealand to your specific opening dimensions.

## CHOOSING A DOMINATOR DOOR IS EASY

### Step 1: Discover your options

Talk to your dealer or visit [www.dominator.co.nz](http://www.dominator.co.nz) to find out all the available options, including colour, style, finish, opener and accessories.

### Step 2: Onsite consultation

Call your local dealer or 0800 DOMINATOR (366 462) to book a free site measure and quote.

### Step 3: Installation

We'll advise you on manufacturing times, and make sure we deliver your garage door on time. Your dealer will book in a time to install and demonstrate your new garage door and opener.

## INSULATION OPTIONS

### THE SMART CHOICE FOR HOME OWNERS

If you are serious about insulating your home, we recommend that you also consider insulating your garage door. Our Textile Insulation is an optional extra that can be added to a range of our popular Sectional Doors.

Adding a layer of insulation to your garage door also acts as a two-way noise barrier. It helps to keep out undesirable noise and contain noise within the garage, for a noticeably quieter garage compared to a non-insulated door.<sup>^</sup>

### WHY WE USE TEXTILE INSULATION

Our new polyester insulation is manufactured using thermal bonding, which makes it tough and durable (it can last over 50 years) and can be recycled.

We understand the importance of supporting the circular economy, which is why recycled textile materials are included in the production of this insulation resulting in at least 50% recycled content.

<sup>^</sup>Source: Predictive figures from 'Acoustic Logic' tests

## WINDOW OPTIONS

### ADD SOME LIGHT TO YOUR GARAGE

Many of our garage doors can be customised to suit your tastes. One way in which you can do this is by adding window panels. Not only do they add curb appeal, they provide additional light.

Georgian Plain

Somerset Plain

**Additional glazing options available. Talk to your Dominator dealer today or see our website for further options.**

## SECURE DOOR OPENERS

Dominator garage openers provide sophisticated design along with Tri-Tran+ remote control technology for added security. With over 309 trillion possible code combinations, combined with our proven multi-frequency platform, peace of mind has never been more assured. Our openers also offer Intelligent Sensitivity System (ISS) which stops the door moving if there is an obstruction, and Pet & Pedestrian Mode which provides a limited opening for non-vehicular access.

### DOMINATOR® SELECT

The Dominator Select combines affordable garage door control with the smooth and reliable operation that Dominator is known for. Bolster your home security.

	QUIET 700N DC MOTOR
	SOFT START AND SOFT CLOSE

	2 TRI-TRAN+ PREMIUM REMOTES & WALL MOUNT REMOTE
	BUILT-IN SMART PHONE CONTROL
	BUILT-IN BATTERY BACKUP
<b>7</b>	7 YEAR 30,000 CYCLE + <b>10 YEAR</b> WARRANTY AVAILABLE*

# OPTIONAL ACCESSORIES

### INFRA-RED SAFETY BEAMS

Infra-red safety beams are perfect if you have young children or pets. If the beam is broken while the door is closing, the door will automatically stop and reverse. We strongly recommend safety beams on all automatic garage doors.

### ENTRY KEY PAD

Optional keypad allows entry to the garage without a remote transmitter. Simply use a PIN to enter the house rather than using a transmitter.

### AUTO-LOCK

With this smart keyless technology, every time you close your garage door the Auto-Lock sends a heavy-duty bolt through the guard rail helping to prevent thieves from being able to force it up and open.

<sup>^</sup>Subject to cellular and WiFi connection and availability.

<sup>\*</sup>For safety reasons, the installation of Safety Beams is required when a Garage Door can be operated by smartphone. AS/NZS 60335.2.95:2012

### A SMARTER WAY TO CONTROL YOUR GARAGE DOOR\*

Dominator's optional Smart Phone Control Kit lets you control your garage door with your smart phone wherever you are in the world.

**Real time alerts:** Monitor your garage door 24/7<sup>^</sup> and receive notifications if it is in need of a service.

**Customisation:** Customise to suit you, from partial opening modes to restricted door access times.

**Activity log:** Our app can alert you whenever your garage door is operated and lets you view the usage history.

**Smart control:** Download and operate your garage door from our app. It's that easy.

**Compatible with:** Siri, Google Home, Alexa.

# MAKING THE RIGHT CHOICE

### CHOOSE FROM OUR RANGE OF COLOUR OPTIONS TO SUIT YOUR PERSONAL TASTE AND THE STYLE OF YOUR HOME

All of our pre-painted steel is made in New Zealand for New Zealand conditions. New Zealand Steel Limited is our preferred supplier of steel for garage doors. With over 30 years of experience, COLORSTEEL<sup>®</sup> is made with custom paint formulations to provide excellent colour performance and scratch resistance.

**METAL COLOUR SWATCHES**  
Metal colour swatches available from Your Dominator dealer.

**DULUX POWDER COATINGS**  
Do you need a custom colour? Talk to us about our wide range of Dulux Powder Coat colours, which are available on sectional doors.

**DISCLAIMER**

**The colours in this gallery are intended as a guide only and are not available in all door styles.**

If colour selection is critical please request a steel colour sample from your local Dominator dealer. Please contact your Dominator dealer for advice and samples. Dominator reserves the right to change/delete colours without notice.

<sup>\*</sup> Normally accepted imperfections that are inherent with flatter door styles may be visually enhanced by darker door colours such as those marked.

<sup>†</sup> Choose from over 100 colours. Some Dulux colours may not be suitable for garage doors.

<sup>Δ</sup> Steel Gauge 0.4 BMT.

<sup>#</sup> Smooth finish only.

<sup>Δ</sup> Sierra and Nevada are made from imported steel.

## CREATING A TRULY FLAT DOOR

Dominator takes pride on producing quality doors and openers. Some things are out of our control – like the direct heat of the sun and seasonal temperatures that can cause irregularities in the door panel surface (due to thermal expansion). The colour you choose can also play a part.

When we produce our doors, we make every effort to take this into account and minimize the effect of thermal expansion across the door. For a more consistent flatter door, we recommend either a Sierra or the negative detailed Nevada, both produced from heavy-gauged steel.

Talk to your Local Dominator Dealer for further advice around your requirements and expectations.

## HOME SAFE HOME, WITH STYLE

**Safe and secure design is our priority and we are focused on helping protect the things you hold precious.**

Our commitment to quality flows through everything we do, including providing a friendly and skilled measure, quote and installation service. We are the complete garage door professionals. For more information on our latest Sectional Garage Doors, please contact us on **0800 366 462** or visit a Dominator dealer near you.

### 10 YEAR WARRANTY

Now available for specific door and opener packages. Regular servicing required. Talk to your Dominator dealer today or visit [www.dominator.co.nz/confidence](http://www.dominator.co.nz/confidence)

Each Dominator door is custom-built to fit your garage perfectly. For more details on this product or our other ranges call 0800 366 462 or visit [www.dominator.co.nz](http://www.dominator.co.nz).

- a. Sectional Doors in residential applications are covered by a 5 year warranty. Warranty only valid if warranty conditions are met including regular servicing, once in the first 12 months and then at least every 2 years thereafter. Full details of the warranty and care guidelines are available from [www.dominator.co.nz](http://www.dominator.co.nz). Warranty only applies to doors purchased and installed in New Zealand. Warranty only valid if warranty conditions are met.
- b. All pictures shown are for illustrative purposes only. Actual product may vary due to ongoing product development.
- c. For areas within one kilometre of a corrosive environment e.g. salt air or industrial fallout, special care and maintenance are generally required for metal products. Consult your Dominator Accredited Dealer for advice.
- d. The company reserves the right to make changes or improvements to the products or accessories without notice and without incurring any obligation to make similar changes or improvements to goods previously ordered. Specifications subject to change without notice.
- e. While New Zealand Steel Limited is our preferred supplier, steel products from other sources may also be used.
- f. Details correct at date of publication.

As with all types of garage doors, for optimal trouble free performance and safety, we recommend you have your door serviced once in the first 12 months and then at least every 2 years thereafter. Dominator® is a brand of B&D Doors (NZ) Ltd. Ph. +64 3 384 5145
